

EXTENDED PRESENTATION SOLUTIONS

WELCOME

WHO WE ARE

The background of the slide is a photograph of a large, dark-colored table with multiple interactive projection zones. The projections show various data visualizations, including a topographic map on the left, a grid of colored squares in the center, and a control panel with a 'Zoom' button and a hand icon on the right. Two small, white, cylindrical objects are placed on the table's surface, one near the topographic map and one near the control panel.

EXTENDED PRESENTATION SOLUTIONS

WELCOME

WHAT WE DO

- **Infoplay**
- **Presentation concepts**
- **Creative & Technological consultancy**

PROJECTS & DATA VISUALIZATION CHALLENGE

- Maplay
- PlaySOMFx
- ArchiTable

OUR TECHNOLOGY & IDEAS

Unique & Innovative

introducing new and intuitive human-computer interfaces

Flexible & Scalable

no limits by size and orientation

Easy to install and use

any surface can be interactive display, no backprojection needed

- Cheaper than existing products

EVENTS & PARTNERS

- 
- A woman with long dark hair is shown in profile, wearing large black headphones. She is looking towards a large screen that displays a glowing blue map of Europe. The background is dark, and the overall lighting is dim, with the screen providing the primary light source.
